3 Your instruction to your employer

This form is an instruction by me for you to pay my wages directly to my ECLIPSE prepaid account. Please make the necessary arrangements to do this with effect from the first wages payment date achievable after the completion of this form.

I have set out the details of my ECLIPSE prepaid account in sections 1 and 2 above. I understand that this instruction means that my wages will be credited to my ECLIPSE prepaid account and I will no longer receive my wages by cash, cheque or other means. I also understand that this instruction may constitute a variation to my employment contract and by signing this form I consent to that.

Note to Cardholder

For your wages to be paid directly by your employer to your ECLIPSE account please complete this form and give it to your employer. Your wages will then be credited to your ECLIPSE account free of charge instead of receiving them by cash or cheque. To proceed, please complete Section 1 "Cardholder's Details" with your details and Section 2 "Quoting payment reference" with the last 10 digits of the 14 digit account number starting 4201 which is found on the back of your ECLIPSE card. You will also need to date and sign Section 3 "Your Instruction to your Employer". Please then give the form to your employer to complete the instruction. Please note that it may take up to 4 working days from the day the employer initiates each payment for the funds to reach your ECLIPSE account. Always keep the payslip provided by your employer as proof of your wages payment. Should you wish at any time to stop your wages being paid to your ECLIPSE account please inform your employer immediately who will then cancel the instruction.

Note to Employer

Your employee is an ECLIPSE prepaid MasterCard® cardholder and this form is an instruction from your employee to pay their wages directly to their ECLIPSE account. Please ensure that all sections of the form are completed. In particular, please make sure that the full 14 digit card number from the "Quoting payment reference" field is quoted each time a payment is made, ensuring that this payment reference appears on the receiving bank's statement. **Please note that without the full reference number, including the 'ECW' prefix, we will not be able to correctly allocate the payment due to your employee.**

Once the form is complete, you will need to amend your payroll processing so that the employee's wages are paid direct to the nominated 360money Direct Deposit account, as detailed in section 2 "Account wages to be paid into". **Please note that it may take up to 4 working days from the day the employer initiates each payment for the funds to reach the ECLIPSE prepaid account.**
